### A Republican Factional Fight.

There promises to be a lively contest in the county convention growing out of the fight between the two Republican factions in Kau. It is likely Kau will have two sets of delegates claiming seats in the convention, and the threat is even made to test in the courts the legality of the election of officials whose nominations were secured by the votes of the other faction. At the precinct club meeting held at Waiohinu last Saturday night the town element stole a march on the plantation contingent in calling the meeting to order, it is claimed, before the arrival of the members from Naalehu. Upon the arrival of two bus loads of plantation stalwarts all nominations had been made and the meeting adjourned. There is considerable indignation expressed among the Republicans from Naalehu, and last night another meeting was held at the latter point, when a second list of delegates was named. The feeling has become bitter over the fight, which will be fought out in the Hilo convention. The nominations by the Waiohinu faction are Dr. L. S. Thompson, Judge J. H. Waipuilani and Y. K. Kaapa.

### Tennis Tournament Ends.

With the finals in men's doubles on Saturday the club tournament of the Tennis Club came to an end. In the semi-finals Balding and Hapai won from Elliot and Vicars in 6-4 and 10-8. In the finals Balding and Hapai won from Baldwin and Mellor in 7-5, 7-5 and 6-1. The result of the tournament is as follows: Ladies' singles, Mrs. Elliot winner; men's singles, George Hapai winner; mixed doubles, Mrs. Elliot and George Hapai winners; men's doubles, Balding and George Hapai. There is a movement on foot to send George Hapai and J. Metcalfe to Honolulu by next Kinau to compete in the open tournament.

### Increased School Appropriations.

The following is the text of the resolution passed unanimously at the meeting of the Fourth (Hilo) Precinct Club Saturday night. A copy of the resolution has been forwarded to the senators and representatives from this district.

Whereas, the employees of the Board of Education have been working under a reduction of twenty per cent during the past year, which in some instances has been insufficient for living purposes; and

Whereas, a continuation of the present inadequate scale of wages will drive competent teachers into other channels of work, and the efficiency of the school service will be very materially marred; and

Whereas, the Republican party in their platform at the last election heartily endorsed liberal appropriations sufficient to maintain the schools in the highest efficiency, to secure capable educators, and to give the people the best possible educational service; and

Whereas, the Legislature of Hawaii has provided for a High School in the city of Hilo; now, therefore,

Be it resolved, by the Fourth Republican Precinct Club, First Representative District, Territory of Hawaii, assembled together on the 6th day of May, A. D. 1905, that the Governor and Legislature be recommended to make liberal appropriations for the Department of Education; that teachers be given salaries sufficient to allow them a decent livelihood; and that the salaries be restored to their former basis and educational lines; and

Be it further resolved, that the Governor and Legislature be recommended to make liberal appropriations for the erection and equipment of a High School building in Hilo, and the securing of competent and efficient teachers and professors for High School work; and

Be it further resolved, that a copy of these resolutions be sent to the Governor of the Territory and to the Senate and House of the Representatives of the present Legislature.

### Do Not Want Troops.

Chicago, Ill., May 1.—The labor leaders have made an appeal to the President and the Governor not to send troops for the suppression of the riotous strikers.
